Mobile Specialist at Banco Votorantim

Mr. Filipe Gentil Faria Arena, worked at Banco Votorantim CNPJ 59.588.111/0001-03, as an Accenture do Brasil LTDA employee, CNPJ No. 96.534.094 / 0001-58 located at Rua Alexandre Dumas No. 2051, São Paulo, between 2017 and 2018 as a consultant developing front-end applications, during this period he performed all his activities in an exemplary manner.

I worked with him as his Mobile Teach Lead in a key project to the company, working side-by-side developing some features regarding the mobile application stability, security and navigation issues.

I highly recommend him as a skilled professional, he is very dedicated and compromised with the integrity and quality of the work. He was always available to share his knowledge with the team.

Kind regards,
